Objective / 目标

Dedicated and innovative English educator with a strong background in history, linguistics, and technology. Over 12 years of experience in education, curriculum development, and instructional design. Extensive expertise in using technology to enhance language acquisition and student engagement. Adept at cross-cultural communication, lesson adaptation for diverse learners, and integrating digital tools for an interactive classroom experience. Lived in China for three months, gaining firsthand experience in cultural immersion and language learning. Seeking a teaching position in China to leverage my unique combination of linguistic expertise and technical acumen to deliver high-quality English education.

敬业且富有创新精神的英语教育工作者，拥有历史、语言学和技术领域的深厚背景。在教育、课程开发和教学设计方面拥有 12 年以上经验。精通利用技术提升语言习得和学生参与度。擅长跨文化沟通，为不同学生调整课程，并整合数字工具以实现互动式课堂体验。曾在中国居住三个月，深入体验当地文化和语言环境。希望在中国找到一份英语教学职位，充分发挥我的语言学专业知识和技术能力，为学生提供高质量的英语教育。

Teaching Experience / 教学经验

English Teacher – Southwest Sumatra Dama Yudha / 英语教师 - 西南苏门答腊

October 2023 – December 2024 / 2023 年 10 月 – 2024 年 12 月

- Designed customized English curricula aligned with CEFR standards, ensuring structured progression in language proficiency.
- Integrated digital learning tools such as AI-assisted tutoring programs and interactive whiteboards to enhance engagement.

- Developed listening, speaking, reading, and writing activities tailored to students' individual proficiency levels.
- Facilitated immersive English environments through debates, presentations, and real-world situational dialogues.
- Conducted language workshops to help students improve pronunciation, grammar, and business English proficiency.

Mentorship & Technical Training / 指导与技术培训

2010–2024 (Integrated across various roles) / 2010-2024 (融入各类岗位)

- Mentored non-native English-speaking professionals in corporate settings, improving communication and business writing skills.
- Conducted online and in-person workshops on English for Specific Purposes (ESP), focusing on technical and business domains.
- Created interactive e-learning modules that simplify complex linguistic structures for non-native speakers.
